

Mr Johnson,

and to all the people who contributed  
to the package that I received I would like to thank  
you all very much. It means a lot to me, that you  
took the time to think of us. I am especially proud  
that those of you who have done this before us think  
of us. Please take care of yourselves back home and  
I hope you have some snow let not to much and  
that your Christmas was very wonderful.

Thank you all  
Fred
